# **Tertiary Awards Programme (TAP):**

## TAP: Acknowledgement of Graduates and Graduating Students

---

**Programme Name**                      **Cook Islands Government In Country Student Assistance Fund (SAF)**

---

The SAF has enabled Cook Islanders **without any form of sponsorship** (e.g. from employers) to undertake post secondary education and training **while living in the Cook Islands**. The two forms of assistance available under this programme were for:

**Criteria 1:** Unemployed applicants or for those with annual income below \$15,000 per annum. Successful applicants were awarded **75% reimbursement of course fee(s) and prescribed textbook(s)**.

**Criteria 2:** Successful applicants with their annual income in the range of \$15,000 and over were awarded **50% reimbursement of course fee(s) and prescribed textbook(s)**.

Applications to SAF are open all year around.

**Programme Name****Cook Islands Government Overseas Student Assistance Fund (OSAF)**

---

The OSAF is for Cook Islanders who have privately pursued tertiary studies overseas and have applied for partial assistance for tuition fees on a reimbursement basis.

The minimum payment received by any student was determined according to the number of applicants and availability of funds; that amount has been reviewed from time to time.

Applications to OSAF are open once a year around November/December.

The following are graduates who have accessed OSAF for partial funding of SOME of their course fees.

---

---

**Programme Name****Cook Islands Government Scholarships**

The purpose of this scholarship is to help Cook Islanders to complete their current programme of tertiary studies so that they can return home soon after completion of studies.

At the time of applying to this scheme the applicant will have completed a minimum equivalent of one full academic year at a tertiary institute and have attained a B grade average or better.

This scholarship has tenure of 2 years of which a qualification is to be completed within that time to be eligible for the award. Awards are for full time undergraduate and postgraduate studies in New Zealand only.

Successful applicants will enter into a contract with the Cook Islands Government to come home and contribute to the Cook Islands social and economic development for a minimum of two years.
